# A Special THANK YOU

to our Photo Finisher:  
**RON MEREDITH-JONES**

A wide-angle photograph of a sailboat race on the open ocean. The sky is filled with a dense layer of white, textured clouds, creating a dramatic and somewhat overcast atmosphere. The water is dark blue with visible ripples and small waves. In the distance, a large number of sailboats with various sail colors (white, black, and dark blue) are scattered across the horizon, engaged in a race. The overall scene conveys a sense of competition and maritime activity.

Thank You &  
Have a Good Evening
